

# Donning Operating Room PPE

STEP 1	STEP 2	STEP 3	STEP 4	STEP 5
Perform hand hygiene. Consider shoe covers.	Don yellow disposable isolation gown with thumbs through thumb hooks. Tie waist ties behind back.	Don fit-tested N-95 respirator. Mold (do not pinch) nose-piece to obtain seal. Perform seal check.	Don face shield or eye goggles. Personal eyeglasses are not adequate.	Don double gloves and pull over cuffs of gown.

**USE “BUDDY SYSTEM” TO MONITOR FOR PROPER TECHNIQUE**

**ENSURE THAT YOU HAVE ON CLEAN SCRUBS, HEAD COVER, AND DEDICATED HOSPITAL FOOTWEAR**
